Delaware County Women Against Rape
Part-Time Development Associate

Delaware County Women Against Rape (DCWAR), a nonprofit agency passionate about providing services to victims of sexual assault and other serious crimes, has a position available for a part-time Development Associate. Our mission is to promote healing and justice by providing accompaniment and advocacy, and we strive to prevent sexual violence through education and awareness.

The Development Associate will work 14-18 hours per week under supervision of the Fiscal Director. Primary responsibilities are aimed at implementing the organization's development plan, including helping with fundraising activities, growing and cultivating the number of mid-level donors, and helping with marketing and advertising.

This is an ideal opportunity for someone who is passionate for small nonprofit development and marketing, with a connection to the Delaware County community. The candidate will be an excellent communicator, has interpersonal skills and organizational skills, is experienced in fundraising for nonprofits, and is committed to the mission and goals of DCWAR.

Part-time: 14-18 hours per week

Flexible work schedule
